**MEMO ENDORSED**

**Re: In re American International Group, Inc. Securities 2008 Litigation,**  
**Master File No. 08-cv-4772 (LTS) (DCF)**

Dear Judge Swain:

On behalf of the Lead Plaintiff, the State of Michigan Retirement Systems, I write to request a page limit extension for Lead Plaintiff's Memorandum of Law in Support of its Motion for Class Certification from the 25 page limit specified in Rule 2.H. of Your Honor's Individual Practices Rules to no more than 50 pages. The Motion and all supporting papers will be filed on or before this coming Friday, April 1, 2011, pursuant to Case Management Order No. 1 for this Action.

As Your Honor may recall, the putative class set forth in the Consolidated Class Action Complaint covers purchasers of a variety of different types of AIG securities, including common stock, preferred shares and debt securities. We believe this extension is reasonable given the complexity of the issues to be presented to the Court in connection with Lead Plaintiff's Motion. I have conferred with counsel for AIG, PricewaterhouseCoopers and the Underwriter Defendants, none of whom oppose this request.

We appreciate Your Honor's consideration of this letter.

*The request is granted.*

Respectfully,

SO ORDERED.

NEW YORK, NY
